Dr. C. Nelson Grote
President

Dr. C. Nelson Grote became the eleventh President of Morehead State University on July 1, 1987, returning to the campus where he began his career in higher education administration nearly three decades earlier.

A former dean of MSU's College of Applied Sciences and Technology, Dr. Grote left in 1971

to become president of Schoolcraft College, Livonia, Mich. In 1981 he was named chancellor of the Community Colleges of Spokane, a post he held until his appointment at MSU.

The native of Illinois first came to MSU in 1960 as an associate professor and chair of the then-Division of Applied Arts. A member of the graduate faculty, he later attained full professorial rank and faculty tenure.

Dr. Grote earned the Ed.D. degree at the University of Illinois, the M.Ed. degree at the University of Missouri and the B.S. Ed. degree at Eastern Illinois University. In 1978, he received the Distinguished Alumnus Award from Eastern Illinois.

Intensely interested in economic development, the educator/administrator has served on various

commissions at the national, state and local level and has participated in trade missions to China and Japan.

Dr. Grote also has taken leadership roles in education consortia, promoting cooperative efforts in education at all levels, and in encouraging partnerships among business and education.

Named outstanding CEO of the Pacific Region in 1986 by the Association of Community College Trustees, Dr. Grote currently serves on the Committee on Economic Development of the American Association of State Colleges and Universities (AASCU) and is a member of Kentucky's Conference of Presidents. An ex-officio member of the Morehead-Rowan County Chamber of Commerce Board of Directors, he is the immediate past president of the Ohio Valley Conference (OVC). He serves on the Jesse Stuart Foundation Board of Directors, the Executive Board of the Blue Grass Council of the Boy Scouts of America and the Kentucky Council on Economic Education Board of Directors.

Dr. Grote and his wife Wilma are the parents of three children: Mrs. Sonny (Carol) Jones, Mrs. Dave (Jan) Adams, and Mark, all of whom live in Seattle, and four grandchildren. The Grotes are members of the First Christian Church of Morehead.

Steve Hamilton
Athletic Director

Steve Hamilton, Morehead State's head baseball coach the last 13 years and a former professional baseball and basketball player, was named MSU's athletic director in July, 1988, after a year as acting athletic director. He recently resigned as baseball coach to devote all his time to the athletic director's office.

A two-time graduate of MSU, Hamilton accumulated a 305-275 mark as head baseball coach. He guided the Eagles to divisional championships in 1976, 1977, 1983, 1985, and 1986. His Eagles were declared OVC champions in 1977 and 1983.

Hamilton guided the Eagles to a pair of NCAA Tournaments. In 1977, MSU participated in the NCAA South Regional in Miami, Fla., while finishing as runnerup in the NCAA Mideast Regional in Ann Arbor, Mich., in 1983.

Hamilton's 11 years of major league baseball experience have been attractive to many high school baseball recruits. The southpaw played for the Cleveland Indians, Washington Senators, New York Yankees, Chicago White Sox, San Francisco Giants, and Chicago Cubs. He

eventually came up with the slow, arching pitch known to many as the 'Folly Floater'. He was a top relief pitcher with the Yankees for almost eight seasons and played in two World Series.

After retiring from professional baseball in 1972, Hamilton became the manager of the Johnson City Yankees of the Appalachian League in 1973. He also served as pitching coach for the Detroit Tigers in 1975.

Hamilton also played two seasons with the Minneapolis Lakers of the National Basketball Association becoming the only professional athlete to play in a World Series and an NBA Championship series.

Hamilton enjoyed a flourishing collegiate career at MSU, playing championship teams in basketball, baseball and track. During his basketball career, Hamilton established five school records in rebounding. He is the No. 4 all-time scorer at MSU with 1,829 points.

He paced the Eagles to OVC Championships in 1956-57 and was named an All-American in 1957.

Hamilton, who graduated from Charlestown (Ind.) High School in 1952, received his bachelor's degree from MSU in 1958 and his master's degree in 1963. He is married to the former Shirley Potter of Raceland, Ky. They have four children: Stephanie (Turner), Elizabeth (Copeland), Robert, and Daniel.

Bill Baldrige Head Coach

After battling health problems for the parts of the past two seasons, Morehead State University Head Football Coach Bill Baldrige hopes his sixth season at the helm of the Eagle football program will be remembered for football successes and not successful recovery from health difficulties.

The 45-year old Baldrige suffered chest pains during the 1987 season and underwent two balloon angioplasties to relieve blockage. He missed several weeks of the season while recovering. Last season, the chest pains returned and he eventually had coronary bypass surgery, again missing several weeks of the season.

Now, by watching his diet and participating in a supervised regimen of exercise, Baldrige is feeling strong and ready for the 1989 campaign.

"I'm feeling well, and I'm extremely eager to get the season started," he said. "We have a good nucleus of returnees and one of our best freshmen classes ever. If we can avoid crippling injuries and get a few breaks, I believe we can have the type of success we had in 1986."

Baldrige was named Ohio Valley Conference Coach of the Year in 1986 when the Eagles tied the school record for wins in a season with seven. It marked only the second time that an MSU coach had been so honored. That season he was also named Kentucky Coach of the Year by the Fellowship of Christian Athletes.

MSU's eleventh head football coach has a solid coaching backbround. Baldrige started in the ranks as the head coach at Bath County High School in Owingsville, Ky. After compiling a 12-8 record in two seasons, Baldrige accepted the head coaching position at Harrodsburg (Ky.) High School. His second year there he won the Central Kentucky Conference Championship and was named "Class A Coach of the Year" by the Associated Press and United Press International.

Baldrige landed his first collegiate coaching job in Kentucky by taking a position as defensive secondary coach at Georgetown College in 1973. Baldrige returned to Harrodsburg for the 1974 season and took the team to another CKC title, again earning "Coach of the Year" honors. From there, he moved on to Bellevue High School in Northern Kentucky.

From Bellevue, Baldrige moved on to Murray State University, where he worked under former Morehead State teammate Mike Gottfried. In 1980, Baldrige returned to Georgetown College where he began his collegiate head coaching career. He guided the Tigers to a winning season that year in the pass-oriented Heartland Conference, and then rejoined Gottfried in 1981 when he accepted the position of associate head coach at the University of Cincinnati.

Gottfried left UC in 1981 for the head coaching position at the University of Kansas. Baldrige also made the move and accepted the position of defensive tackles and special teams coach before taking over the Morehead State football program in 1984. His Eagles teams have won 15 and lost 39.

Born in Morehead on April 19, 1944, Baldrige and his family moved to Shelby, Ohio shortly after his birth. He returned to MSU and received a bachelor's degree in 1968 after earning All-OVC honors in 1966, the last year MSU won the OVC title. Baldrige also holds a master's degree from MSU.

Baldrige is married to the former Jane Rather of Morehead, Ky. They have two children, Beth (14) and Jenny (11).

1989 National Collegiate Division I-AA Football Championship

The National Collegiate Division I-AA Football Championship is under the control, direction and supervision of the four-member NCAA Division I-AA Football Committee elected by the NCAA membership at the annual Convention.

Chair of the committee is Beanie Cooper, Indiana State University. Other committee members are Benny Hollis, director of athletics, Northeast Louisiana University; Walter Reed, director of athletics, Florida A&M University, and Chuck Boone, director of athletics, University of Richmond. Dennie Poppe, NCAA director of championships, works closely with the committee in the administration of the championship and related matters.

Selection of teams and conduct of championship competition are the responsibility of the committee. The Division I-AA Football Championship provides for a field of 16 teams. Sixteen teams play first-round games on the campuses of competing institutions.

The top two independent teams, as evaluated by the committee, receive automatic berths. The champions of seven

conferences—Big Sky Conference, Gateway Collegiate Athletic Conference, Ohio Valley Conference, Southern Conference, Southland Conference, Southwestern Athletic Conference and Yankee Conference—also are granted automatic qualification. The committee selects the remaining teams at large with assistance from four regional advisory committees.

Teams are selected for the championship on the basis of the following criteria (not in preferential order): (1) eligibility of student-athletes for NCAA postseason competition, (2) won-lost record and (3) strength of schedule.

The committee is responsible for all pairings and seedings. The top half of the bracket has the Nos. 1- and 4-seeded teams and the lower half has the Nos. 2- and 3-seeded teams. Teams are placed in the appropriate region according to the seeding of the top four teams.

The criteria for determining first-round and semifinal sites are: (1) availability of quality facilities, (2) consideration of financial success, (3) geographic location considering inclement weather, (4) seeding of teams, (5) competition from other

Georgia Southern and Furman went head to head in the 11th annual Division I-AA Football Championship, which Furman went on to win, 17-12. The two teams also faced each other in 1985, with Georgia Southern coming out the victor by two points (44-42).

activities, (6) site of previous competition, (7) enthusiasm for hosting the championship and (8) experience in hosting championships.

JAYNE STADIUM—JACOBS FIELD

Jayne Stadium has been the home of the Eagles since 1964. The 10,000-seat lighted facility is named for William LeGrand Jayne, a former Morehead State University professor.

Thanks to a private donation from Terry Jacobs, president of Jacor Communications in Cincinnati, Ohio, and president of the MSU Foundation Jayne Stadium now has "Omniturf" as its playing surface.

Omniturf is the latest concept in artificial surfaces. This patented surface system combines resilient polypropylene fibers and a specially formulated sand infill to ensure a surface that's the closest yet to natural grass. This surface has been enthusiastically endorsed by players, trainers, coaches and administrators, including MSU head athletic trainer, Keith Webster.

The Eagles opened Jayne Stadium with a 35-0 rout of OVC foe Tennessee Tech. It has dedicated Oct. 17, 1964 as part of Homecoming ceremonies in MSU's 14-13 win over Austin Peay.

MSU's newly completed athletic training facility is located beneath the west grandstand (press box side). This 2,800-square foot facility was also built with the private donations of Mr. Terry Jacobs.

Eagles play host to Golden Eagles- Public school officials and students are guests

Morehead State University's Football Eagles today play host to Tennessee Tech's Golden Eagles. Public school officials and students from throughout the area are on hand as guests of MSU.

MSU brings a 3-5 overall record and a 1-3 Ohio Valley Conference mark into the contest. TTU is 3-4 overall and 1-2 in the OVC.

Last season, MSU won 20-3 in Cookeville. The Golden Eagles lead the series 25-18-1. In last season's game, MSU quarterback Chris Swartz hit 20 of 37 passes for 244 yards. TTU quarterback Thomas DeBow suffered a broken arm the week before last season's game and did not play against MSU.

Swartz etched his name further in the MSU record book last week. He passed for 170 yards in the Eagles' win over Austin Peay and passed Phil Simms on MSU's all-time passing yardage list. Swartz, a junior from Bath Co., has now passed for 5,598 yards in his career. Simms' record was 5,545 yards. Swartz also holds Eagle career records for pass completions (476) and attempts (906).

Tech is led by DeBow and a host of

quick runningbacks. DeBow has connected on 69 of 143 passes for 758 yards and nine touchdowns. Split end Sam Brooks has caught 20 of those passes for 270 yards.

Back-up tailback Mike Stewart has rushed for 327 yards and two touchdowns. Starting tailback Fred Lowery, who missed last week's Tech-Tennessee State game with an injury, has rushed for 291 yards and two touchdowns.

Tech has an outstanding placekicker in Ryan Weeks. He has connected on 15 of 16 extra point kicks and 12 of 16 field goals. He leads the Golden Eagles in scoring with 51 points.

Defensively, linebacker Gerald Dossett leads Tech tacklers with 64 total plays. Rover Felix Parham has five interceptions.

Swartz has hit on 141 of 272 passes for 1,710 yards and 12 touchdowns. Freshman tight end Brandon Ford has caught 28 passes for 227 yards and wide receiver Anthony White has caught 27 passes for 462 yards.

Ken Carter made his first appearance of the season at tailback last week against Austin Peay and rushed for 89 yards on 20 carries. He had been

MSU's starting fullback.

Linebackers Doug Bowell (111 defensive plays) and Jim Jackson (79 defensive plays) lead the Eagle defense. End David Gifford has 13 tackles for losses.

NEXT WEEK

Morehead State travels to Cincinnati to take on the Bearcats at 7 p.m. EST in Nippert Stadium. Tech will travel to Austin Peay.

Alumni Association Most Valuable Player

Austin Peay Game

Ken Carter, Jr., Runningback, Cincinnati, Ohio.

Carter rushed for 89 yards on 20 carries and caught two passes for 25 yards to spark the Eagles to a 23-22 win over Austin Peay.

Marshall Game

Jim Jackson, Sr., Linebacker, Belleville, Ohio.

Earlier this season, Jackson was named MVP of the Marshall game but an incorrect picture was printed. We, therefore, also honor Jackson in this game program.

The Alumni Association Most Valuable Player Scholarship Program

The Morehead State University Alumni Association began the Most Valuable Player Scholarship Program in 1987. Throughout the last two football and men's and women's basketball seasons, selected members of the covering news media in cooperation with the MSU sports information office selected a most valuable player each week. The selected MVP received a letter of notification and congratulations from the Alumni Association and \$100 was given in his or her name to a scholarship fund.

The fund was started on February 21, 1987, when \$500 was given in the name of Phil Simms. The recipient(s) of the scholarship will be a current MSU student who will be a junior or senior the following semester, who for financial reasons has found that he or she may not be able to return to school. The criteria will be worked out between the Alumni Association and the financial Aid Department. The recipient will not be on any other scholarship program.

After the player of the week has been selected, a picture of the athlete along with his statistics and accomplishments for the week is displayed in the Adron Doran University Center.

Rent to Own

COLORAMA MAKES IT EASY!
10 GOOD REASONS TO RENT-TO-OWN

- #1 YOU CAN HAVE ANYTHING ON A MONTH TO MONTH BASIS.**
Try getting that kind of deal from an ordinary store or finance company.
- #2 IT'S AFFORDABLE.**
Your first week's rent on a 19" color TV can be as low as \$8.75.
- #3 NO DEPOSITS OR DOWN PAYMENTS REQUIRED.**
- #4 NEVER TIES YOU UP IN A LONG TERM DEAL YOU MAY NOT WANT.**
Why obligate yourself to months or even years of finance charges, when you can RENT-TO-OWN on more convenient terms.
- #5 IF IT BREAKS WE FIX IT. FREE !!!**
If you finance it, you have to pay extra for a service policy, or pay the repair bill yourself. With COLORAMA RENT-TO-OWN, service is a no-charge deal.
- #6 YOU CAN BUY OUT YOUR RENTAL AT ANY TIME.**
All your rental fees are applied in full to the purchase price.
- #7 SAME DAY DELIVERY AND SET UP.**
COLORAMA will deliver and set up anything in the store the same day you pick it out, and we'll make sure you're satisfied before we leave.
- #8 NO WAITING FOR A CREDIT CHECK, BECAUSE NO CREDIT CHECK IS NEEDED.**
With financing you have to meet credit requirements. With COLORAMA RENT-TO-OWN, this unpleasant step is eliminated.
- #9 THE VERY BEST TVS, VCRS, STEREOS, HOME ENTERTAINMENT CENTERS, APPLIANCES AND FURNITURE.**
No promotional or second-quality merchandise in our stores! All our items are first-line, top quality items.
- #10 YOU CAN EVEN RETURN YOUR RENTAL AND GET IT, OR ONE OF EQUAL VALUE, BACK AGAIN.**
And you get all credits from your former contract. It's our 80-day reinstatement policy.
